

Freeway Opening Attracts Crowds To Local Program

State Officials Participate In Ceremonies By Local Chamber

The \$5,420,000, 5.4-mile strip of freeway, making the first step in a four-lane super highway spanning the Sierra Nevada from the Nevada state line to the Pacific coast, was officially decided last Thursday with a ribbon cutting ceremony and luncheon at Smart's.

John O. Bronson, of Sacramento, member of the California State Highway Commission, snipped the ribbon after introductions of special guests among the 150 attending had been made by N. F. Dolley, president of the Truckee Chamber of Commerce, sponsor of the program.

George Goebel, who was the current attraction at Cal-Neva Lodge, came over to act as master of ceremonies at the ribbon cutting and made a real hit with his humor.

At the luncheon, Louis Spitz, director of housing for the 1960 Winter Olympics introduced the various members of the Olympic delegation headed by H. D. Thoreau, secretary for the California Olympic Commission; Martin Blatt, director of

MISS ANDRES WEDS

BOB TONINI HERE

At simple nuptial rites conducted by Father P. J. O'Neill at the Truckee Catholic Church Saturday morning, Robert B. Tonini claimed as his bride Miss Patsy Ruth Andres. Both young people are well known here where he is employed with the Truckee Fir Company and Mrs. Tonini employed as secretary of the Truckee Chamber of Commerce.

Attendants at the wedding were Mr. and Mrs. Charles Cozzi, Jr. Mrs. Tonini is the daughter of Mr. and Mrs. Oliver Burch of Clarksburg, Yolo County, but has resided in Truckee for the past several years. Tonini is the son of Mr. and Mrs. Elden Tonini of Truckee and was raised here.

Following the wedding breakfast at Smart's attended by Father O'Neill, Mr. and Mrs. Cozzi and Mr. and Mrs. Dale Stricklin, the newlyweds went to San Francisco for a brief honeymoon before returning to make their home here.

WORK UNDER WAY ON

NEW GATEWAY SEWER

The Valley Engineers of Fresno this week started installation of a new sewer system at Gateway Park. The work is being rushed so that the 67 1/2 inch of new six and eight-inch soil pipe will be installed this fall.

The project will cost slightly over \$42,000 and will be shared by the property owners of the district involved through issuance of assessment bonds.

The project is being handled by the Truckee Sanitary District, which will make the required assessments over a ten year period.

Board Studies Plan To Improve Local Hospital Facilities

The application by the Tahoe Forest Hospital for state and federal assistance in an expansion program was considered and tabled at the meeting of the state officials in San Francisco last week.

The meeting was attended by J. J. McGlade, administrator of the hospital and James Sherritt, a member of the governing board. McGlade presented the case for the local hospital, but the priority was too far behind other more needy institutions and the funds allocated for assistance failed to reach the local qualifications.

The local officials, however, were assured that the application would be kept on file and will be considered at a future date.

In the meantime, the hospital faces a rather serious situation, particularly as regards the emergency and operating units which are presently overtaxed. Some solution may be found for this at a special meeting of the board Friday when the results of the San Francisco meeting will be examined.

While the proposed general expansion program was expected to cost approximately \$450,000, it is hoped by the administration that a portion of the more vital work can be financed locally at a much lesser figure.

With this in mind, the board met at Friday's session attempt to work out a program which will at least assure the necessary emergency treatment expansion. This phase of the overall project would cost only a fraction of the original estimate and while it would not provide the requirements felt necessary, it would at least act as a stop gap until state and federal aid becomes available, McGlade explained.

A complete study is expected before any official steps are taken, the administrator explained.

In pointing out the need for expansion, McGlade said that since May, the demand on the emergency and operating facilities at the hospital has been increased more than 100 per cent.

Motorists Warned Of Detour At Boca

Division of highway officials today announced that a 2,000-foot detour is being opened just east of Boca on U.S. Highway 40 and will remain in effect for approximately one month.

The contractors are putting a fill across the highway as part of the approach to the new Truckee river bridge and flagmen will control movement of traffic during working hours. Heavy equipment will be moving across the highway during working hours from 6 a.m. to 1 a.m. the following day, but all delays will be kept to a minimum.

Motorists are warned to use caution through the area even when construction is not in progress.

LOCAL MILL WORKER IS STABBED TO DEATH

Pedro A. Sorola, 53, a Truckee sawmill worker, was found stabbed to death near the city pumping plant at Marysville Sunday.

Police said Sorola had been stabbed twice in the back and his face slashed. His empty wallet and glasses were found nearby. His wife, Gertrude, said Sorola returned to Marysville Friday from Truckee and went out Saturday night with \$15 on his person. He was a native of Texas and has one surviving child.

LOW BID OFFERED FOR HEATING PLANT

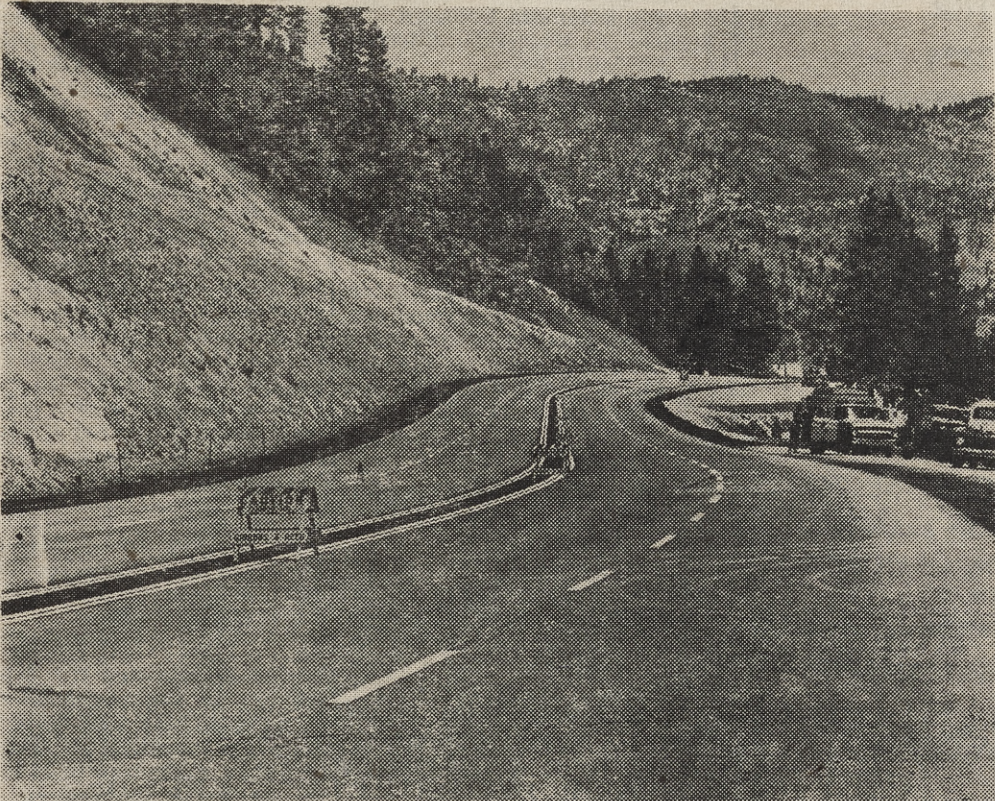

SACRAMENTO (CNS)—The state division of architecture has opened a low bid of \$21,987 from Don da Roza, Inc., Dutch Flat, for replacement of the heating system at the District III maintenance station of the Division of Highways, at Truckee.

Truckee Tied For Second Place In Win Here Sunday

Will Travel To Fallon On Sunday To Playoff With Admirals

As a result of their victory over the Lovelock team 16 to 3 here Sunday, the Truckee Mountaineers of the Sierra Nevada Baseball League are tied for second place with the Desert Admirals of Fallon and will go there Sunday to play off the tie.

There will be a double header. The game will start at 2:15 Sunday afternoon at Fallon park, according to Lloyd Newton, president of the league. A second game between the Fallon Merchants and the Lovelock Merchants, scheduled for the same date, has been rescheduled, Newton said.

It is expected that a large following of fans will accompany the team in this final contest.

Both the Admirals and Truckee have won eight and lost six games, with Threlkeld of Reno in undisputed first place with a 14-0 record.

Sunday's game was a free-hitting affair as far as Truckee was concerned, with Roy Stone local catcher batting 1.000 with four for four, one of these a two-base hit. Billy Campbell got a three-bagger and batted in four runs. Ray Bell, Otis Cluck, Bob Oates and Al Wakefield each got two hits.

Only three errors were made by Truckee while Lovelock contributed to the local win with nine.

Despite threatening rain and a chilly breeze, a large crowd of fans turned out.

Manager Wakefield said that already plans are moving forward for the team to be activated for next season in the same league. President Newton was here Sunday and officiated as head umpire during the contest.

VISITORS ATTEND LOCAL LODGE MEET

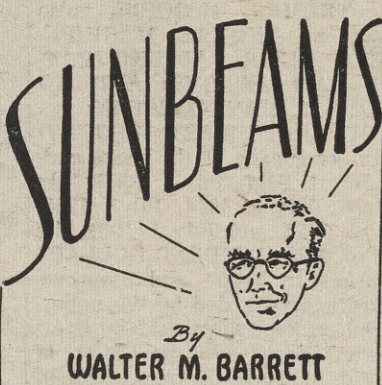

Mrs. Ben King, noble grand of Naomi Rebekah Lodge No. 2 presided at the August 13 meeting of the lodge and welcomed distinguished visitors during the evening. The past district deputy president, Henrietta Marcalte from Lodge 145 of Cupertino, Anna Benntee, past district deputy president from Lodge 72 of Roseville and June Farley of Ruby Lodge 49 from Parma, Idaho were present.

ITINERANT KILLED IN FALL UNDER TRAIN

Edgar Henry Perham, 55, an itinerant from Las Vegas, was fatally injured this morning at 7:30 when he fell from an east bound freight train at Hirschdale. His right leg was cut off at the hip and his right arm at the elbow when he fell under the wheels. The Truckee ambulance was called, but Perham died as the vehicle arrived.

The body was taken to the Truckee Colonial Mortuary.

Mr. and Mrs. E. Romo celebrated their wedding anniversary Saturday at a family party.

WALTER M. BARRETT

The observance marking the opening of the new freeway between Floriston and the state line last week was an outstanding success and reflects credit on the work of the Truckee Chamber of Commerce and its officers. More than 150 visitors attended the ribbon cutting and nearly 100 the luncheon which followed. Many of these were state dignitaries who were loud in their praise for the way the affair was conducted. We want to add our word of commendation to the local chamber for a job well done.

Thus far this season the Truckee and Lake Tahoe areas have escaped any serious forest fires, due largely to the close vigil kept by the forest service officials and to the care by forest visitors. This record can be kept clean during the balance of the year if the same care is exercised, but a little carelessness and a major fire might destroy hundreds of acres of vanishing watershed. When you enter the forest use every precaution and remember the cost in money, natural resources and manpower which one careless moment might cause.

To our friends who sent messages of good wishes in the start of our twenty-third year as owners of the Sierra Sun and Truckee Republican, we are sincerely grateful and hope to continue to effectively serve the district for some time to come.

FALL MEET OF LOCAL NURSERY SCHOOL SET

The first fall meeting of the Truckee Nursery School group will be held August 26 at 8 p.m. in the Catholic auditorium and any parent interested in the cooperative school is invited to attend the initial session of the season.

Leaders this year include Mrs. J. P. Vind, chairman; Mrs. Joseph McCafferty, treasurer; Mrs. John Hughes, secretary and Mrs. Lee Apple, director.

LAST RITES HELD FOR JESSE MAXSOM

Graveside rites were held here yesterday afternoon for Jesse B. Maxsom, 49, a native and long-time resident of Truckee, who expired at his home in Carson City following a heart attack.

Maxsom for many years was employed by the Sierra Pacific Power Company. He was the son of the late Mr. and Mrs. A. B. Maxsom, pioneer residents of Truckee and attended the local schools.

Golf Course Study Is Authorized By Truckee District

Recreation Center Planned On Area South Of Truckee River

Truckee may soon have a real golf course.

The board of directors of the Truckee Public Utility District has authorized a preliminary survey to be made by Robert Baldock, Fresno, a golf course architect, who has laid out more than 160 courses in the western states.

The course, if present plans are carried out, will consist of nine holes on the 50 acres available. A representative of Baldock, who scanned the area, said it would be made into one of the best possible golf courses at a cost of approximately \$35,000.

Directors of the district apparently favor the project, holding that it will add considerable to the assets of this community. Ultimately it is hoped to enlarge upon the recreational area which is located just south of Truckee on the north side of the Brockway cutoff. A tennis court, swimming pool and other attractions are planned to bring to the community a much needed recreational center.

In the meantime, the Truckee baseball club, managed by Al Wakefield, has selected a site in the vicinity which will be leveled and prepared for a baseball park. This comprises an area of 400 by 400 feet at the intersection of the cutoff and the garbage dump road.

Financing the recreational center is possible through the sale of highway right-of-way land west of Truckee which brought the district approximately \$140,000 during the past year.

Mrs. Karl Kielhofer, chairman of the Truckee Recreation Committee, is spearheading the drive for the project which is receiving wide support locally.

FIVE BABIES ARRIVE AT HOSPITAL HERE

Another bumper baby crop arrived at the Tahoe Forest Hospital during the past week as four girls and one boy were born.

Delphino Rubalcaba, weighing eight pounds, arrived August 15 at 7:34 a.m. to Mr. and Mrs. Salvador Rubalcaba of Boca.

On the same date Ruby Wilson was born to Mr. and Mrs. Frank Wilson of Truckee, weighing five pounds, eight ounces.

Mr. and Mrs. Farrell D. Ellredge of Soda Springs are the parents of Susan Elizabeth, six pounds, six ounces, who arrived at 11:44 p.m. August 16.

The Paul D. Doyles of Truckee welcomed Shawn Allison Doyle, seven pounds, 12 ounces at 11:59 a.m. August 16. While Shawn was making her appearance, her six year old brother, Larry, was undergoing an operation in the same hospital.

Catherine Elizabeth Haliwell, six pounds, 2 ounces was born at 5:25 p.m. August 17 to Mr. and Mrs. John G. Haliwell of Truckee.

Two Lose Lives As Flash Flood Hits Highway At Farad

Body Recovered In Fatal Accident; Second Man Dies

The body of Joseph Thompson was recovered in the flood area Wednesday morning and was taken to the bay area where burial will be in the Golden Gate National Cemetery, according to Coroner Alvah Hooper. The young man was a navy veteran and a native of Missouri.

A flash flood near Farad Monday evening at 6:15 resulted in the death of two men, the hospitalization of another and the closing of U.S. Highway 40 for nearly an hour.

Joseph Thompson, 23, Redwood City died when he jumped from a car in which he was a passenger and was caught in the swirling flood which carried rocks, mud, and even trees down the narrow draw onto the highway and into the Truckee river.

The driver of the car, James Douglas Olinger, 23, Palo Alto, said he saw a huge log strike Thompson and carry him under the debris and water. He has not been seen since and it is presumed he was either buried under the four feet of mud and debris or was carried into the river.

Olinger was thrown from the car but managed to escape and was rushed to a Reno hospital for shock treatment.

Loader Overturns

The second man to die as an indirect result of the flood was Frederick Johnson, Jr., 33, of Reno, employed by the Isbell Construction Company. Johnson was called to assist in clearing the four-lane highway and was driving a skip-loader along the highway at Floriston at 8:30 p.m. when the huge vehicle left the road, overturned and pinned him to the ground.

The body was brought to the Truckee Colonial Mortuary in Truckee. Johnson went to Reno about a year ago from New York.

The car in which Olinger and Thompson were riding was found in the Truckee river a quarter of a mile below the accident. It was a 1951 two-door Ford and was completely demolished.

Road Closed

The highway at the point was closed for nearly an hour as a result of the flood. This was the second time in recent years that a flood has occurred at that point. The draw is very narrow and drains a huge area above the road. The sudden downpour of rain was limited to the area and did not cause other damage.

State Patrolmen William Gautsche and Nick Comola made the investigation and Sergeant Frank Snyder was called to assist.

Flagman Injured By Road Accident

David Alonso, 54, a flagman for the Fredrikson & Watson Construction Company, suffered a broken leg and other lesser injuries Friday morning at 11 o'clock when he was struck by a car while crossing State Route 89 4 1/2 miles south of the Tahoe-Truckee Wye.

The driver of the car, Oswald K. Gordon, Tacoma, Washington, was not cited.

Alonso told Patrolman Martin Sturcke, who investigated, that he was crossing the road and did not see the car approaching.

The injured man was taken to the Tahoe Forest Hospital for treatment.

POT LUCK SUPPER IS HELD FOR FIREMEN

The Donner Lake Volunteer Fire Department and ladies enjoyed a pot luck supper at Donner Lake Beach Saturday August 9.

The Ladies Auxiliary will hold their next meeting at Beacon Hill Lodge on Thursday Aug. 21. All members are urged to bring their swim suits as this will be a swimming party as well as a dinner meeting.

WHITE ROCK GROUP ENJOYS LOCAL PARTY

The home of Mrs. Sara Belle Hooper at Donner Lake was the scene of an enjoyable affair Tuesday when her grandson, John Euer, president of the White Rock 4-H Club hosted the members of his group.

The afternoon was spent swimming and enjoying the outdoors but the evening meal was inside due to the rain showers. There were 20 in the group and all reported a good time.

FATIGUE IS BLAMED FOR AUTO MISHAPS

SACRAMENTO — Fatigue and
sleepiness have no place in the
operation of a motor vehicle on our
streets and highways warns the
California Highway Patrol.

"During 1957, we recorded 179
fatal accidents and 2,958 injury ac-
cidents in California charged to
drivers asleep or fatigued," Patrol
Commissioner B. R. Caldwell stat-
ed. "Many of these were the result
of drivers on vacation or business
trips trying to cover too many miles
each day.

"Passenger car drivers would do
well to pattern their driving hours
after those required for commercial
drivers," Caldwell emphasized.
"Section 602 of the Vehicle Code
requires that no driver shall drive
upon any highway any vehicle de-
signed or used for transporting per-
sons for compensation for more
than ten consecutive hours nor
more than ten hours spread over a
total of 15 consecutive hours.

"Thereafter, such person shall
not drive any vehicle until eight
consecutive hours have elapsed,"
he continued. "Drivers who begin
to feel sleepy or tired should stop,
get out of the vehicle and stretch,
walking around a few minutes,
even taking a short nap if possible,
to prevent the dangerous effects
of fatigue and sleep."

Weather

A virtual cloudburst hit Kings Beach last Saturday afternoon. After a thunder storm the day before, Sunday morning we had another. It made the air beautifully

fresh after a few days of real hot weather, in fact very muggy days. The rain gave the forest service employees a welcome respite.

SACRAMENTO (CNS)—If logging trucks are found to be carrying more than 2,500 pounds more than the weight permitted in the motor vehicle code, they are in violation for the entire poundage over the limit, without regard to the 2,500 pound tolerance permitted in the code.

That was the recent ruling of Attorney General Edmund G. Brown, in answer to a question from Bernard R. Caldwell, commissioner of the California Highway Patrol.

The opinion noted the difference is important in determining the amount of the fine which should be imposed on the driver or owner of the vehicle. The opinion gave an example of a combination of vehicles with a distance of 12 feet between the first and last axles, carrying a load of 42,000 pounds. The permissible load is 36,400 with the additional 2,500 pounds tolerance. However, the vehicle would be in violation for the full 5,600 pounds, the opinion noted.

It noted it was difficult to judge log weights accurately when loading a truck in the forest and the weight might shift. However, the opinion said if the overload amounted to more than 2,500 pounds there was an indication the excess weight was being carried intentionally and was not "an honest mistake."

NATIONAL STARS OF TELEVISION TO AID OLYMPIC PROGRAM

A national television public service committee, comprised of leaders in the entertainment and information fields, has been formed to oversee television programming for the 1960 Olympic Winter Games at Squaw Valley, it was revealed by Prentice C. Hale, president of the Olympic organizing committee.

The five committee members who are donating their talents to the Olympic Games as a public service are: Chairman Dan Seymour, vice president in charge of television for J. Walter Thompson Company, New York; Lowell Thomas, internationally-known commentator, explorer and motion picture producer; Dave Werblin, president, MCA-TV, Ltd., New York; Wally Jordan, director of radio and television, William Morris Agency, New York; and Bill Henry, radio and television commentator and Los Angeles Times columnist.

The committee will assist in providing entertainment for Olympic competitors, spectators and television viewers, along with serving in an advisory capacity during television negotiations.

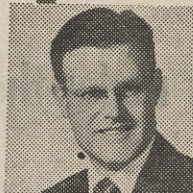

COUNTY GETS SHARE OF HIGHWAY TAXES

SACRAMENTO (CNS)—State Controller Robert C. Kirkwood reported he has apportioned \$22,756 to Nevada county as its share of the \$24,549,976 in highway users taxes distributed in July.

The taxes collected in June and distributed in July totaled \$25,437,204, with \$1,568,562 refunded to non-highway users, \$59,339 for administrative expenses, \$29,166 for unrefunded aviation gasoline tax, and \$750,000 transferred to the Smill Craft Harbor Revolving Fund.

16TH ANNUAL FAIR WILL OPEN TODAY AT GRASS VALLEY

GRASS VALLEY—In a setting as cool and green as a mountain meadow, the Nevada County District Fair opens its gates today for the 16th annual showing.

Hundreds of visitors have described the tree shaded Watt Park grounds as the most beautiful in California, and this year they are even more beautiful with new expanses of trees and flower beds.

The gates will open at 10 a.m. on a lavish display of the county's wealth of farm, ranch, orchard, forest, home and shop. Thursday night will feature a big vaudeville show presenting stars of stage, radio and television in a series of

thrilling and entertaining acts presented by Ed Hennessy, Broadway musical comedy star and master of ceremonies for the Miss Universe Contest. Other performers are the Madcaps, Decca recording artists; Burns Twins and Evelyn, a dance trio; the Volantes a high cycle team and other acts.

Friday will be Kids Day with all under 12 years of age admitted free. The night feature will be a junior horse show, the largest ever held in Nevada County.

Saturday night's entertainment feature will be a full scale rodeo produced by Ray Hicks of Auburn. The final day will feature the annual Fat Stock Sale in which 4-H Club and Future Farmer members will place their prize animals on the auction block. Sunday afternoon at 1 p.m. there will be horse show and rodeo finals. The evening feature will be a series of thrill jolopy races on the one-fifth mile oval. Throughout the fair the John Strong Circus will stage three free performances daily.

The Great Western Carnival will be on hand with a wide variety of thrill rides.

TRAILER HAULERS WARNED ON LAWS

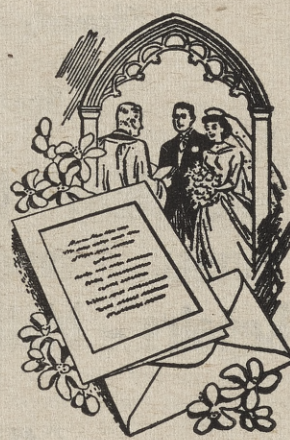

SACRAMENTO—Motorists towing boat trailers, house trailers, and other type trailers used for moving household goods should review the laws affecting such practice warns the California Highway Patrol.

The following essential points were offered by Patrol Commissioner B. R. Caldwell for review by persons towing such trailers either by passenger car or commercial vehicle:

1. A 45 mile-an-hour maximum speed limit prevails unless a lower speed is posted.
2. Mechanical or electrical turn signals are required if hand and arm signals are not clearly visible from the rear.
3. The towing vehicle must be equipped with a mirror reflecting a view of the highway 200 feet to the rear.
4. One red tail lamp, a license plate lamp, one red reflector, and a stop lamp are required on each vehicle.
5. Hitches must be properly and securely mounted, with a legal safety chain to control trailer if hitch fails.
6. The trailer is required to follow substantially in path of the towing vehicle without whipping or swerving.
7. Registration card or temporary permit must accompany trailer.
8. Be sure the license plate is mounted not less than 12 inches nor more than 60 inches from the ground when the trailer is unladen.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular meeting, August 1, 1958
Present: John T. Trauner, Clerk,
Wm. J. Cassettari, Deputy District
Attorney.

The meeting was called to order
at 10:09 A. M. by the Chairman of
the Board and all the members of
the Board were noted as present.
The minutes of the meeting of
July 21st, 1958 were read to the
Board by the Clerk, and a motion
was made, duly seconded and passed
unanimously, approving the minutes
as read.

A motion was made by Supervisor
Smart, duly seconded and passed
unanimously directing the Clerk
to publish the preceeding of the
Board of Supervisors for the
month of August in the Sierra Sun
at Truckee.

The County Auditor presented
the Board with the Preliminary
Budget for 1958-59, and a motion
was made by Supervisor Robinson,
duly seconded, accepting the Preliminary
Budget as presented by the
Auditor. Upon a roll call ballot
a unanimous vote was recorded.

A motion was then made by
Supervisor Smart, duly seconded,
setting August 14th, 1958 as the
date for the final hearing of the
Budget for the Fiscal Year 1958-
59, for the County of Nevada. Upon
a roll call ballot a unanimous
vote was recorded.

Mr. Clarence Gassaway, Chairman
of the Nevada County Water
Resources Board, rendered a report
of that committee and the
report was accepted and ordered
filed.

The Board of Supervisors requested
the present committee to
continue to serve in their present
capacity until a new committee is
appointed and organized.

Mr. Smith, Member of the Board
of Trade, appeared before the
Board and requested the establishment
of the position of Secretary
of the Board of Trade at a salary
of \$55.00 per month. A discussion
ensued and it was agreed that the
Board of Trade could be authorized

to hire such a person providing
that the Board of Trade's budget
is not increased thereby.

Mrs. Porter appeared before the
Board representing the Welfare
Director and rendered the report
for the Welfare Department for
the month of July. The report was
approved and ordered filed.

A letter was read from the Veterans
Service Officer relative to the
appointment of a Public Guardian
and the matter of such an
appointment was discussed and finally
deferred with no official action
being taken by the Board.

A letter was read from the Business
Administrator of Weimar Chest
Center requesting the Board of
Supervisors to authorize the
Auditor to pay funds based on the
quarterly advance to Weimar in
accordance with a new system of
financing. After a discussion, the
matter was deferred with no official
action being taken by the Board
at this time.

Mr. William Mullis, Mayor of
Nevada City, appeared before the
Board and requested permission
be granted to rent that portion of
the old County Barn that is not
being used by the Road Department.
The matter was referred to the
Road Commissioner.

Mr. Mullis then recommended
that study be given toward the
establishment of a time limit zone
around the Courthouse on Winter
Street. A motion was made by
Supervisor Smart duly seconded
and passed unanimously, requesting
the City of Nevada City to es-
tablish a time zone, on Winter Street
adjacent to the Courthouse.

The following warrants were approved
for payment:

FUND:	WARRANT:	AMOUNT
General Fund	228-422	\$33,467.45
Salary Fund	3692-3925	58,952.90

Veterans Fund	8-16	141.83
Promotional		
Fund	2-3	257.80

At this time the Board adjourned
for lunch to reconvene at 1:30
P. M.

AFTERNOON SESSION

The Board reconvened at the call
of the Chairman at 1:40 P. M. and
it was noted that all members of
the Board were present.

A discussion was held relative
to the feasibility of painting the
interior of the Clerk and Auditor's
office and the Supervisors' Chambers.
After a discussion a motion
was made by Supervisor Robinson,
duly seconded and passed unanimously,
directing the Clerk to issue
a minute order to the Purchasing
Agent authorizing him to purchase
the paint required.

At the request of the Auditor, a
motion was made by Supervisor
Smart, duly seconded and passed
unanimously authorizing the Chairman
to sign an agreement with the
State of California Department of
Agriculture relative to the reimbursement
of \$3,000.00 for the fiscal year 1958-59 for reimbursement
of the Agriculture Commissioner's salary.

A letter was read from the City
of Grass Valley disclaiming any
responsibility, or liability, on the
replacement of the fence on the
Christmas property on Brighton
Street. A motion was made by
Supervisor Bishop, duly seconded
and passed unanimously, directing
the Clerk to issue a minute order
to the Road Commissioner directing
said Commissioner to replace the
fence on the property in question.

A motion was made by Supervisor
Robinson, duly seconded and
passed unanimously, authorizing
the District Attorney to leave the
State of California for the period
of August 17 through August 31,
1958.

After a discussion, a motion was
made by Supervisor Bishop, duly
seconded, to establish a \$500.00
Revolving Fund in the office of
Treasurer to be used for emergency
travel purposes by county officials.
Upon a roll call ballot a
unanimous vote was recorded.

Mr. Robert Graham appeared before
the Board and rendered a report
on the activities of the Road
Department to date. Mr. Graham
requested the Board authorize the
expenditure of \$8,928.00 payable
to the State of California for a deposit
on the Brunswick Road. A motion
was made by Supervisor Robinson,
duly seconded authorizing
such a payment. Upon a roll
call ballot a unanimous vote was
recorded.

Mrs. Gladys Perkins appeared
before the Board with petitions
signed by the residents of Sierra
Drive on the condition of the road
on Sierra Drive. The Road Commissioner,
who was present, discussed
the matter with the Board and
it was finally deferred to Mr. Graham
for his decision.

A discussion was again entered
into about precinct maps with the
County Clerk relative to the necessity
thereof, and a motion was
made by Supervisor Robinson, duly
seconded and passed unanimously,
directing the Clerk to issue a minute
order to Mr. Joseph O'Connor,
County Surveyor, directing said
Surveyor to prepare the necessary
precinct (school district maps)
maps immediately.

A motion was made by Supervisor
Smart, duly seconded, directing
the Auditor to increase the County

Assessor's budget by the amount of
\$700.00 for the counties share of
timber study to be conducted by
the University of California. Upon
a roll call ballot the following vote
was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District no
Supervisor Fourth District pass
Supervisor Fifth District aye

At this time Miss Elma Hecker,
Tax Collector, appeared in the
Board room with proposed Resolution
No. 58-33 (Authority to conduct
a Tax Deeded Land Sale), and
a motion was made by Supervisor
Smart, duly seconded to adopt Resolution
No. 58-33. Upon a roll call
ballot a unanimous vote was
recorded.

A motion was then made by Supervisor
Smart duly seconded to adopt
Resolution No. 58-34 (Authority
to Sell Certain Tax Deeded Lands).
Upon a roll call ballot a
unanimous vote was recorded.
There being no further business
to come before the Board at this
time, a motion was made, duly
seconded and passed unanimously,
to adjourn to meet again on August
14, 1958.

(S) H. G. Loehr
Chairman of the Board
(S) John T. Trauner
Clerk of the said Board.

BRUNSWICK ROAD PROJECT STARTED

Nevada County Road Commis-
sioner Robert K. Graham said that
the project to surface 3.4 miles of
Brunswick Road has started. Brun-
swick Road is a federal aid secan-
dary route and connects State Sign
Route 49 near Town Talk with
the Grass Valley-Colfax highway.

Huntington Brothers of Napa is
doing the work under a \$144,000
contract. Funds for the work are
provided from federal, state and
Nevada County sources. A portion
of the funds being used are additional
moneys provided in the Fed-
eral Highway Act of 1958 to stimu-
late employment. These funds
made it possible to pave the entire
route rather than to do the work
in two stages.

To California

...a glass of beer
is many things

The world-famous California
hop harvest is one of our
state's important crops.
Last year our farmers grew
over 7,000,000 pounds of hops.

Brewers purchased virtually
all of this premium hop
harvest. In the past year the
Brewing Industry paid
California farmers over \$21
million for a variety of
agricultural products. To
these farmers beer represents
more than a refreshing
beverage—to them it's an
important source of income.
Beer belongs to California
prosperity.

ORDINANCE No. 5808**TRUCKEE PUBLIC UTILITY DISTRICT**

Defining and Classifying Types and Users of Electric Service, System and Facilities Thereof; Establishing Electric Rates and Charges Applicable Thereto; Providing for the Establishment and Enforcement of Rules and Regulations Regarding said Electric System, Service and Facilities; Providing Means for the Collection of Electric Rates and Charges and Enforcement Measures in Case of Non-Payment or Certain Violation; Providing for Appeals.

BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT as follows:

SECTION 1. DEFINITIONS: For the purposes of this Ordinance the terms and words below are hereby defined as follows:

1.1 **DISTRICT:** Truckee Public Utility District, and property within the exterior boundaries thereof.

1.2 **UTILITY:** Electric Service, system, facilities and appurtenances of Truckee Public Utility District.

1.3 **CUSTOMER:** Any individual or agency of record receiving or making use of electric service from said District.

1.4 **PREMISES:** Any lot, piece or parcel of land, improved or unimproved, to which electric service is being or is to be provided.

1.5 **TARIFF SCHEDULES:** The entire body of effective rates, rentals, charges penalties and regulations set forth or provided for herein.

1.6 **PUBLIC USE:** Provision of electric service to a municipality or other public body.

SECTION 2. TYPES AND CLASSES OF SERVICE: For the purpose of this Ordinance there is hereby established the following types and classes of service:

A. **TYPES OF SERVICE:**

A-1 **Flat Rate Service:** Provisions of electric service in unmeasured quantities charged for on a fixed periodic charge.

A-2 **METERED SERVICE:** Provision of electric service in measured quantities charged for on metered rates.

A-3 **TEMPORARY SERVICE:** Service for construction work and similar uses, which, because of the nature thereof, will not be used steadily or permanently.

A-4 **SEASONAL SERVICE:** Provision of electric service, for a limited but specified period of time.

A-5 **UNCLASSIFIED SERVICE:** Provision of electric service in measured or unmeasured quantities, which because of unusual circumstances or characteristics thereof is not properly classified in other types of service noted above.

SECTION 3. ELECTRIC SERVICE AREAS: The areas in which electric service is or may be furnished by Truckee Public Utility District are described as follows:

3.1 **SERVICE AREA No. 1:** Comprising the South 1/2 of Sections 10 and 11, all of Sections 14 and 15, Township 17 North, Range 16 East, M.D.B. & M. (Truckee)

3.2 **SERVICE AREA No. 2:** Comprising the South 1/2 of Sections 8 and 9, all of Section 16, and Section 17, all Township 17 North, Range 16 East, M.D.B. & M. (Gateway and Meadow Lake)

3.3 **SERVICE AREA No. 3:** Comprising the South 1/2 of Section 7, all of Section 18, in Township 17 North, Range 16, East, and the South 1/2 of Sections 10 and 11 and 12, and all of Sections 13, 14 and 15, Township 17 North, Range 15 East, M.D.B. & M. (Donner Lake)

3.4 **SERVICE AREA No. 4:** Comprising all other parts, parcels, portions or sections lying within the exterior boundaries of Truckee Public Utility District.

3.5 **SERVICE AREA No. 5:** All land outside the exterior boundaries of the Truckee Public Utility District.

The Truckee Public Utility District specifically reserves the right, in the discretion of its Board of Directors, to apply special or restricted service rates, charges or regulations within any of the service areas described which may differ from the service, rates, charges, or regulations applicable in another service area.

2. Available in areas 1-2-3-4 and 5.

3. Rates and type of service, under this schedule shall be set in each case by the Board of Directors as Conditions may require, taking into consideration any special circumstances or problems that may be involved, the area of proposed use and estimated quantity and voltage of electricity to be used and the purposes for which it is to be used.

Adopted August 13, 1958, effective October 1 1958.

SECTION 4. SERVICE CHARGES

The District will furnish and install Service wires of such type and size as in the judgement of the District will adequately and satisfactorily meet the requirements as set forth in the customers application.

The following charges for new services will be made and are payable in advance; in addition to any other charges due to extensions or special conditions as set forth in the rules and regulations of the District.

2 Wire Service...150 Ft. or less...\$10.00
3 Wire Service...150 Ft. or less...\$15.00
Temporary Service...150 Ft. or less...\$25.00

5. Upon the failure of any person or the owner of the premises, to pay any electric service bill or charges applicable thereto, in addition to the foregoing, any one or more of the following actions may be taken:

(1) Each electric service bill and/or charges levied by or pursuant to this Ordinance and the Rules and Regulations thereunder, on any premises within the District, is hereby made a lien upon such premises, and any measures authorized by law may be taken by the District to enforce payment of such lien.

(2) Whenever a premise has been disconnected from the electric system for non-payment of electric bills or charges such premise shall not be reconnected to said electric system until all delinquent charges and penalties, if any, have been paid, together with such additional charges or deposits for disconnection, reconnection or establishment of credit

Above charge is for labor only and all material remains the property of the District.

Any needed extension of the Districts service wires for more than 150 Ft. will be at an additional expense of \$1.00 per each 10 Ft. or fraction thereof for 2 wire service and \$1.50 per each 10 Ft. or fraction thereof of 3 wire service.

SECTION 5. BILLING FOR AND PAYMENT OF ELECTRIC RATES AND CHARGES.

5.1 **METERED SERVICE:** Meters will be read at regular intervals and as near to a calendar month basis as reasonably practicable for the purpose of preparing regular bills, opening bills, closing bills, or special bills. Should a monthly billing period contain less than 27 or more than 33 days, a pro rata correction may be made on the monthly minimum charge.

5.2 **FLAT RATE SERVICE:** Bills for flat rate are payable in advance. Opening bills for flat rate service shall not be less than the estimated monthly charge for the service. Any amount paid in excess of the pro rated period rate will be credited against the charge for the succeeding month.

5.3 **PAYMENT:** Bills for electric charge and/or services are due and payable upon presentation and payment may be made at the office of the District, Truckee, California, or to an authorized collector. Bills become delinquent 15 days from date of presentation.

5.4 **RESPONSIBILITY FOR PAYMENT:** All bills for electric service and other charges shall be billed to the person requesting and making application for service; provided, however, that in the event of delinquency such rates or charges shall be billed to the owner of the premises afforded such service, whether or not such owner requested or made application for service.

5.5 **DISPUTED BILLS:** In the event of a dispute between a customer and the District as to the correct amount of a bill rendered by the District for service furnished a customer, the customer shall deposit the amount billed with the Clerk of the District, and shall then proceed in accordance with Section 8 of this Ordinance. Failure to deposit said amount within 20 days from the date of said bill shall warrant the District regarding it as a delinquent account.

SECTION 6. ENFORCEMENT OF COLLECTIONS, RULES AND REGULATIONS.

The General Manager of said District is hereby charged with the enforcement of the provisions of this Ordinance and all Rules and Regulations made pursuant hereto. The Board of Directors shall make and provide for the enforcement of such rules and Regulations for the safe, economic, and efficient operation, management and protection of the District electric system, service and facilities, and such Rules and Regulations as may be necessary for the regulation of electric services, the application for service, the establishment and collection of connection charges for various types of service including special contracts where necessary, the collecting, rebating or refunding of charges, establishment of credit and reconnection charges.

(a) In the event of a violation of any laws of the State of California, Ordinances of the County of Nevada, Ordinances of the District, or the Rules and Regulations established pursuant thereto, the General Manager shall notify the person or persons causing, allowing or committing such violation, in writing, specifying the violation, and upon the failure of such person to cease or prevent further violation within 15 days after the date of such notice, the General Manager may exercise his authority to disconnect said premises from electric service; provided, however, that in the event such violation results in a public hazard or menace then the General Manager may enter upon the premises and do such things and expend such sums as may be necessary to abate such hazard or menace, and the reasonable value of the things done and expense incurred or amount so expended thereon shall be a charge upon the person and premises so in violation.

If a customer receives electric service at more than one location and the bill or charges for service at any one location is not paid prior to delinquency, electric service at all locations may be discontinued.

(b) Upon the failure of any person or the owner of the premises, to pay any electric service bill or charges applicable thereto, in addition to the foregoing, any one or more of the following actions may be taken:

(1) Each electric service bill and/or charges levied by or pursuant to this Ordinance and the Rules and Regulations thereunder, on any premises within the District, is hereby made a lien upon such premises, and any measures authorized by law may be taken by the District to enforce payment of such lien.

(2) Whenever a premise has been disconnected from the electric system for non-payment of electric bills or charges such premise shall not be reconnected to said electric system until all delinquent charges and penalties, if any, have been paid, together with such additional charges or deposits for disconnection, reconnection or establishment of credit

SECTION 7. APPLICATION FOR SERVICE-PERMIT TO CONNECT:

No person shall connect, or cause to be connected any premise with the District electric system without having first made application therefore to the District and having obtained permission of the District so to do in accordance with Rules and Regulations.

SECTION 8. No person shall allow any other type of Dwelling, Business place or Structure to be connected to the premises upon which application for service has been made without written consent of the District and upon terms and conditions set forth.

SECTION 9. APPEALS: Any person who shall be dissatisfied with any determination hereafter made under or pursuant to this Ordinance or any amendment thereof, or Rules and Regulations made pursuant thereto, may at any time within 30 days after such determination (disputed bills provision excepted) appeal to the Board of Directors of said District by giving written notice to the General Manager or to the Clerk of the District, setting forth the determination with which such person is dissatisfied. The General Manager shall then investigate and transmit to the Board of Directors within 15 days from date of said written notice a report upon the matter so appealed. The Board of Directors after receipt of said report of the General Manager shall not less than 30 days thereafter have a hearing in reference to said protest or matter appealed, and notice of the date, place and time of said hearing shall be given to all persons, affected thereby not later than ten days prior to said hearing. The Board of Directors may at any time, upon its own motion reverse any determination made by the General Manager.

Pending decisions upon any appeal relative to the amount of charges made hereunder, the person making such appeal, shall pay such charge under protest as more particularly provided in the Rules and Regulations of the District. After appeal and hearing thereon is had, the determination of the Board of Directors, as a result thereof, shall be final and conclusive, and in the event that a determination be made, that any charge or amount previously paid under protest be refunded such refund shall be made forthwith.

SECTION 10. If any of the provisions of this Ordinance, or the application thereof to any person or circumstance, is held invalid, such decision shall not thereby affect the other provisions of this Ordinance.

Nothing herein shall be construed to limit the authority of the Board of Directors to amend, supplement or change this Ordinance, or any supplements or amendments thereof, or to change, modify or alter any rules, regulations or other determinations made pursuant thereto.

SECTION 11. EFFECTIVE DATE OF ORDINANCE: This Ordinance shall become effective 30 days after the date of passage thereof, and

ALDERMAN CHOSEN TO HEAD CAMPAIGN

Appointment of Robert G. Alderman, San Francisco public relations counselor, as statewide campaign coordinator for Lieut. Governor Harold J. Powers was announced today by State Senator John F. McCarthy, general chairman of Powers' campaign.

For ten years "Bob" Alderman

was an officer of the California State Senate while Powers was a member of the senate. He has managed numerous statewide campaigns for candidates and in behalf of issues. For nearly five years he served as executive secretary to Governor Goodwin J. Knight and has been president of his own business corporation since April 1954.

GRADUATE NURSE

Miss Joellyn Ashton of Kings Beach recently graduated from the School of Nursing at Holy Cross Hospital at Salt Lake City. Miss Ashton also studied at Pueblo and Hot Springs, Colorado. She is the daughter of Dave Ashton and Margie Charrison and the granddaughter of Judge and Mrs. Harry Charrison of North Tahoe.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Showers

Be happy for these summer showers we've been having as our forests have been very dry and are a terrific hazard with so many campers in the area. And September and October as all of the locals know are the most beautiful months of the year so we have two more months of good weather to look forward to with fishing and hiking at its best.

Visits Tahoe Friends

Mrs. Jane Cooke and daughter, former Tahoe City residents and now residing in Reno, spent the weekend with Tahoe friends and visited all of their many friends in the area.

At Tahoe

Mr. and Mrs. Edward Griffith of San Francisco are guests at Agea, home of their great aunt Miss Alice Griffith. They plan to spend a week or so in the area.

Costume Party

The home of the John Drums at Rubicon was the location of a gala costume party with many exciting, bewitching and rather unusual costumes being displayed. The party is an annual event staged by Mr. and Mrs. Drum and was held this year on Sunday evening with close to 100 guests enjoying the festivities.

More Building

Besides the modern motel nearing completion in Tahoe City, there is quite a bit of construction going on or being planned for the immediate future. Another large resort is being planned for the Burton Smith property just north of the entrance to Squaw Valley, and Mr. and Mrs. J. Phillip Murphy, well known residents of this area for many years are building a new home for the family's winter sports activities in Squaw Valley.

At Summer Homes

Arriving this month to spend some time at their summer homes at the lake are Mr. and Mrs. Brook Walter, Jr., staying at the Walker family home near Tahoe Tavern. Mrs. Lester Roth and daughter Mrs. C. Appleton and family are at her home in Lake Forest.

Tradition Broken

Last Sunday broke the record of the Outdoor Chapel of fifty years standing. It rained at the 11 a.m. service. However, the congregation gathered under the awning and trees and the service continued without interruption. The visiting Rev. Albert Colbourne stood in the pouring rain and was completely drenched in the downpour. The six ushers gathered the collection in their shirtsleeves getting soaking wet in the pouring rain. It was a service that will be long remembered. The Rev. Colbourne did not falter despite the roar of the thunder and pelting rain.

Returns from England

Sunday, August 24 will see the return of Bishop Clarence R. Haden to the Outdoor Chapel. Bishop Haden has been at the Lambeth Conference in England where 27 branches of the historic church met for six weeks. Four hundred Bishops of all races and color, representing 50 million people gathered to discuss the problems of the world church. Bishop Haden will

NEW TIMBER SALES OFFICIAL IS NAMED

Supervisor Henry Branagh of the Tahoe National Forest, headquartered in Nevada City, announced the appointment of Forester John S. Hall to the position of timber sale officer of the Tahoe National Forest. Hall reported to duty on August 18.

Hall replaces Forester Ted B. Niehaus, well known in local logging circles, who has been moved to another position on the Supervisor's office staff. Niehaus will handle all land exchanges, rights of way and other similar uses.

Forest Stamp

The 4-cent Forest Conservation commemorative stamp, which goes on first-day sale on October 27, 1958, at Tucson, Arizona at the annual meeting of the American Forestry Association, will be printed in three colors on the Giori press in yellow, brown, and green.

Relocate Facilities

The division of highways today called for bids to relocate certain facilities at the Alta fire station on Highway U.S. 40. The bids are to be opened in the Marysville office of the division at 10 a.m. on August 28.

officiate at the 8:00 a.m. communion and will give the sermon at 11 a.m. All persons are invited to attend.

More Summer Visitors

Mr. and Mrs. S. D. Archibald of the Ross Marin Company are at their mountain top home near Dollar hill. Mr. and Mrs. A. J. Evers also of the Ross Marin Company arrived at their Rubicon home. Also visiting are the Larry Metcalfs of San Francisco, who are at the home of his mother, Mrs. John B. Metcalf. They are the recent parents of a little boy who they have named John Brockway Metcalf, Jr. Recent guests at the Merrill home near Tahoe City were Mr. and Mrs. Victor Bergeron of San Francisco. Mr. and Mrs. Jules Stein are guests at the Charles Theilert home and the Stephen Hirschs of New York are staying at the Town and Country.

Committee to Meet

St. Nicholas Building committee, Norman Mayfield, chairman, will meet Thursday August 21 in St. Nicholas Hall at 8 p.m. to discuss the plans for the new church to be built on the shores of the lake in Tahoe City. Bishop Haden will attend. Members of the congregation and all interested are urged to attend. They are hoping to complete the first story this fall.

REALTORS TO HOLD DINNER MEETING AT NORTH TAHOE TODAY

KINGS BEACH—Tonight a special dinner meeting of the newly formed Tahoe Sierra Realty Association will be held at 8 p.m. at the Crystal Bay Club at Crystal Bay.

Prominent speakers will outline developments at Squaw Valley public housing, and other matters of great interest to realtors and brokers, especially to those in the Tahoe area.

Clive Graham, president of the California Real Estate Association, and J. Jackson Pontius, state secretary of the same organization have been invited to attend and discuss matters of interest to all. Other prominent speakers will be Lou Spitz housing director and organization committee chairman of the 8th Winter Olympics to be held at Squaw Valley in 1960. He will give a progress report. Bill Bien, his assistant and former publicity director of the Tahoe Sierra Chamber of Commerce will also speak. Also in attendance will be Burt Parsons, president of the Placer County Realty Board and Norman Spanger, secretary of the same organization.

This meeting will not only be entertaining, but instructive and illuminating. All real estate brokers, salesmen and those connected with or interested in real estate matters in the Tahoe-Sierra and Squaw Valley areas, are invited to attend and bring their wives or lady friends.

FATHER McALLISTER CONDUCTS WEDDING

TAHOE CITY—Father Leo McAllister came from Sacramento Saturday to perform a wedding ceremony at a 10 o'clock nuptial mass for Miss Mary Ferguson and Joseph Kirrane, both of San Francisco and former class mates of Father McAllister.

The religious service was held in Corpus Christi Church at Tahoe City, attended by relatives and friends of the young couple. Matron of honor was Margaret Thornton of St. Mary's Hospital nursing staff at San Francisco and best man was John McAllister of Sacramento, brother of Father McAllister.

A reception and luncheon was given at Tahoe Inn following the ceremony and the party had a most enjoyable time at Lake Tahoe over the weekend.

The California State Automobile Association advises motorists to be courteous to fellow drivers by dimming their lights both when approaching an oncoming car and when following cars at night.

FLORENCE VERNON IS WED AT HOME OF PARENTS AT TAHOE

TAHOE CITY — The home of Mr. and Mrs. C. W. Vernon at Tahoe City was the scene Sunday, August 17th of the marriage of their daughter, A-1c Florence Belle Vernon to Staff Sergeant Theodore Arthur Mortag. Both the bride and groom are from Hamilton Air Force Base.

Judge Harry Charrison performed the ceremony.

The bride wore a blue paisley print cocktail gown with white hat, shoes and accessories. She also had the traditional "something old, something new, something borrowed and something blue." Floral decorations of pink and rose gladiola decked the room with a centerpiece of candy-striped carnations and maidenhair fern.

The matron of honor was the bride's sister, Mrs. Lillian Farr and the best man was Harold Farr, her husband. The bride cut a beautiful wedding cake which was served with champagne and a wedding dinner was served to the newlyweds and the families later in the dining room of Crystal Bay Club.

The bride's sister, Mrs. Farr was hostess in her home Monday evening at a cocktail open-house honoring the pair and refreshments were served from 6 to 8 p.m. to more than 100 friends and neighbors.

The pair left Tuesday evening for a honeymoon in the bay area where they will remain for two weeks before Mortag is transferred to Florida. The bride expects a transfer later to join the sergeant.

HIGHWAY ENGINEER SPEAKS AT ROTARY

TAHOE CITY — Gilbert Mulcahy, rights of way engineer for District 3, division of highways, was guest speaker at the July 12 luncheon meeting of Tahoe City Rotary Club. Mulcahy, a member of the Yuba City Rotary Club, told of the problems and mechanics in obtaining rights-of-way for the vast highway expansion in his district.

He included some of the humorous cases, but the surprise to the 23 local members and 33 visitors was that of all the rights-of-way acquired, less than one per cent are by condemnation.

Fred Kilner introduced the speaker and Martin Spitsen presided.

RESURFACING PLANS FOR STATE ROUTE 20

The division of highways said today that the project to resurface portions of State Sign Route 20 in Nevada County and the Colfax-Grass Valley Highway in Nevada, and Placer Counties has been completed. Highway officials said the work cost approximately \$144,600.

The complete contract called for the resurfacing of Highway 20 from 1.1 miles west of the junction of Washington Road to Steep Hollow Ravine and of the Grass Valley-Colfax Road from Grass Valley to the junction with Highway U.S. 40. Work on the project started on May 19 and was intended to minimize the need for spot patching of the sections improved to secure a smooth riding surface.

Traffic has been subject to control in the immediate area of the resurfacing operation.

Work on the project was done by Rice Brothers, Inc., of Iodi. Thomas M. Heather represented the division of highways as resident engineer.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS)— The growing trend of government officials to conduct government business in secret was pointed up in a report made by a sub-committee of Congress, which has studied the problem for the past 18 months.

The committee was headed by Congressman John E. Moss, of the third California district, who since his days as an assemblyman in the California legislature, has been a strong advocate of the right of the people to be informed concerning the activities of their government.

Ever since Moss has been in congress, he has been working, sometimes quietly and sometimes vociferously, against the secrecy which is growing like a cancerous sore in a government dedicated to Democracy.

His report says in part: "There is a persistent attitude on the part of many government officials that it is best to do the people's business in secret."

"Federal officials appear addicted to the doctrine that they alone can decide what is best for the people to know about their own government."

"This dangerous attitude has reached the point where federal officials are boldly proclaiming that they will decide what even the congress shall, and shall not know."

"If information must be withheld, the withholding must be based clearly on federal laws enacted in the full light of public opinion and not based on regulations promulgated in the twilight of administrative bureaucracy."

The Moss sub-committee report could well serve to bring renewed interest in California on secrecy in government. Despite the fact that

for the past several years, legislative committees and the California Newspapers Publishers Association have been working to eliminate secrecy, or at least keep it confined to those points specified in state law, there still continues to be the attitude on the part of civil service officials that what the government employees do is none of the public's business.

There are exceptions, of course, among the civil service group. Some of these exceptions stem from the fact that Governor Goodwin J. Knight for the most part has been in favor, as he so often says, of "doing business in a department store window."

But on the other hand the Moss report merely points up the attitude of the general run of government employees, who, protected as they are by the liberal guarantees of the civil service system, find it more convenient to tell the public where to go, than to service the public when requests for information are made.

The California legislature, at its last two general sessions, made some strides in calling for open meetings, open records, and open documents.

But the strides so far are not great enough to satisfy a knowledge-thirsty public, and much work remains to be done. It is a sad commentary that it is even necessary to force public servants by law to perform duties they should perform willingly in the normal course of service to the public.

transportation and others who made the trip from San Francisco to be present.

Alan S. Hart, whose cooperation in the program made the affair a real success, introduced members of the highway delegation including J. W. Trask, assistant state engineer; John Peterson and E. H. Whitnack, project engineers; Don McCollum, district construction engineer; C. A. Maghetti, former secretary for the highway commission and Blair Geddes, district traffic engineer.

Brief talks were made by State Senator Harold T. Johnson, Hart, Dolley and Spitz as well as Shirley Craig who represented the contractors, Gibbons & Reed of Salt Lake City.

Mrs. Gladys Rohl, secretary of the Placer Chamber of Commerce, represented her organization at the observance.

Expresses Thanks

Dolley expressed the appreciation of the chamber for the fine cooperation given by Hart and his associates in assisting in arranging the affair and for the illustrated

folders giving the data on the new road.

Immediately following the luncheon, the caravan proceeded to Squaw Valley to scan the rapid progress being made in providing facilities for the 1960 Winter Olympic Games.

Road Facts

The new highway, declared to be in the most rugged area the state has encountered in its highway program extends from Floriston to the Nevada state line and was constructed as a portion of the interstate highway system authorized under the Highway Act of 1956.

It cost approximately \$5,420,000 and is 5.4 miles in length and will connect still another portion now well under construction which runs from the east end of Donner Lake to Floriston.

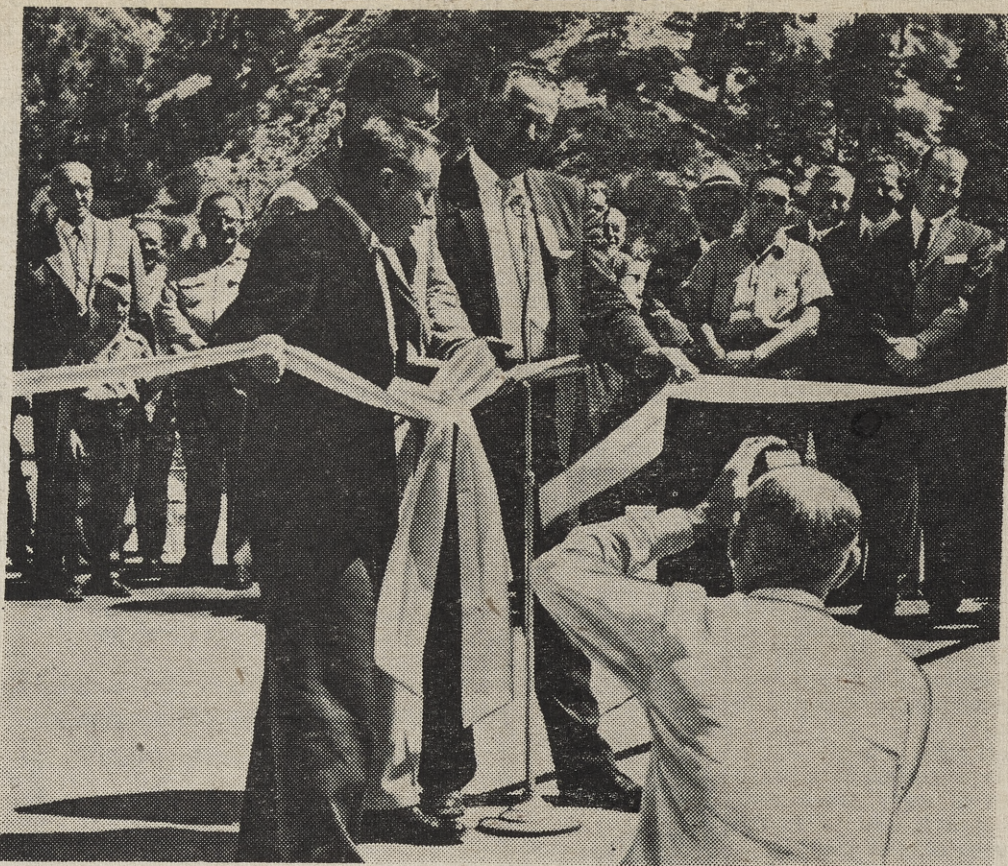

The maximum grade is 4.97 percent and the minimum radius of the curves is 1200 feet. It was necessary to excavate 1,020,000 cubic yards of earth and rock and required 32,400 cubic yards of concrete for surfacing. More than 206,000 tons of rock were used as a base.

The project took only a little more than a year, having been started on March 28, 1957.

State officials declare that currently more highway work is concentrated in the Truckee area than in any other similar area of the state as plans are being rushed to complete as much of the freeway as possible prior to the winter of 1959.

It has also been authoritatively reported that before the present highway under construction is completed, work will be started on the Donner Summit grade from Soda Springs to Donner Lake, eliminating possibly the worst bottleneck on Highway 40 between Nevada and San Francisco.

DEDICATION CEREMONY

State Highway Commissioner John O. Bronson of Sacramento last Thursday cut the ribbon opening the new Floriston freeway. Flanking the commissioner are State Senator Harold T. Johnson of Roseville and Comedian George Gooble. In the background on the far left is N. F. Dolley, Truckee Chamber of Commerce president, who spearheaded the celebration marking the opening of the new highway.

22ND FOREST FIRE OF SEASON IS REPORTED

The 22nd forest fire in the Truckee District for the current season has been reported by the U.S. Forest Service. There have been 16 lightning caused fires and six man caused fires.

The recent lightning storms started two, one a mile east of Bear Lake in the McKinney Creek area

and the other a mile west of Verdi lookout. Neither was serious, although the former burned over a quarter of an acre before Hap Warnke and his loggers brought it under control.

CARD OF THANKS

I want to thank my many friends for the nice cards and beautiful flowers sent me at the hospital in San Francisco during my recent illness.

JOHANSON INJURED BY "EAGLE" ATTACK

KINGS BEACH— Harry Johanson had the unusual experience of being attacked on top of his head by a golden eagle while attending the Rotary Club held this week in Tahoe Inn, Tahoe City.

The eagle, an emblem on the tip of the flag staff, fell, hitting Johanson on the head. The wounded Rotary member went to Kings Beach for medical treatment where six stitches were taken to close his scalp.

BUMPER BUSINESS AT TRUCKEE JAIL

Business at the Truckee jail is flourishing.

Sheriff's deputies and state patrolmen this past week booked 16 customers at the local bastille, five for drunk driving, three for tampering with parked vehicles, one for kidnapping, one parole violator, one for grand theft and the balance for being drunk.

A series of petty thefts involving cars was traced to three or four teen-aged Truckee boys, police said. Leo Dallas Parrott, 48, Reno, was booked on a grand theft charge as the result of the theft of power saws from Frederikson & Watson, contractors.

Sciutto Attends Workshop

C. W. Sciutto, principal of Tahoe Truckee High School, recently returned from a three week Administrators' Workshop presented by the School of Education at Stanford University.

The group consisted of twenty-four administrators from the states of California and Arizona. The course centered around current issues in educational administration and philosophy.

Home Now—

Gary Grow, young son of Mr. and Mrs. Bruce Grow returned home following surgery last week at Tahoe Forest Hospital.

Scenic Trip—

Mrs. Lauren Russell and children, Randy and Linda accompanied by Mrs. Robert Leamon and Marcia and Bruce returned from a trip to the scenic Redwood country near Scotia.

On Vacation—

Forest Ranger Roy Saarni and family are enjoying a two weeks vacation in the Pacific Northwest.

DRIVER HELD AFTER LAKE TAHOE CRASH

Lawrence J. DeMayo, 54, Las Vegas, was in the Tahoe Forest Hospital this week recovering from injuries received when his car collided with one operated by Stephen Gorham, 26, of Truckee at Kings Beach Saturday at 2:25 a.m.

William Mattis, 23, Lodi, a passenger in the Gorham car, also suffered injuries.

Sergeant Frank Snyder of the Mayo, who was on the wrong side California Highway Patrol, said DeMayo of the highway will be charged with violation of Section 501 of the vehicle code drunk driving resulting in personal injuries.

Other drivers jailed during the weekend on drunk driving charges included Walter Flamer of San Francisco who was released by Judge Posten Wilson under \$250 bail; Margaret Belknap and Genevieve J. McGinnis who were arrested at Tahoe and cited before Judge Harry Charrison, Lee Belknap was held for violation of the county sobriety ordinance.

LOCAL INSTRUCTOR AT STATE PROGRAM

SAN LUIS OBISPO— Phyllis Carter, Truckee, from Tahoe-Truckee High school, is participating in the ninth annual California Physical Education workshop for women in secondary schools being held at California State Polytechnic College, August 10 through 22. The two week workshop is sponsored by the California Association for Health, Physical Education and Recreation, State Department of Education and Cal Poly.

Resource leaders are Dr. June McCann of San Jose State College; Fredricka Moore, consultant in physical education, Santa Clara County schools; Sybil Hilton and Harriett Sheldon from Bakersfield Jr. College; and Lucille Verhulst, Syracuse University, New York. Genevieve Dexter, consultant in physical education, California State Department of Education will discuss current problems.

Held on Charge

Paul Hamilton, 44, Floriston, was booked at the local jail this week en route to Napa on a charge of manslaughter, according to Deputy Sheriff Roy Waters. Waters said he had been advised the charge was the outgrowth of an automobile accident in Napa County.

SHOWERS END HOT WEATHER IN AREA

After a week of hot weather, thunder clouds developed over this area last week and have resulted in almost daily showers. The U.S. Forest Service reports that up until yesterday morning .64 of an inch of precipitation was recorded in Truckee. The lightning which accompanied the showers has caused two reportable fires in the forest but due to the rain the number of fires is expected to be minimized.

Back In Jail

Otis P. Davis of Wilmington just couldn't take a hint. After serving a ten day jail sentence imposed by Judge F. W. Wilson, Davis immediately set out and within a few hours found himself back in jail, this time for 30 days.

Return From Camp

Shirley Smith and Stephanie Firpo returned from Modesto where they attended the supervised Christian Youth Fruit Camp.

The two girls reported they had a very good time preparing the fruit which will be sent to under privileged children overseas.

Visit Englehart's—

Mr. and Mrs. Ed Lowell of Sacramento are spending two weeks vacation with Mr. and Mrs. W. M. Englehart Sr. and family.

At Lincoln—

Linda Giovannoni is a guest of Mr. and Mrs. Tom Level at their home at Lincoln.

From South—

Mrs. Charles Roberts and children who have spent several months in Los Angeles are here for an indefinite stay.

Tarzan

by EDGAR RICE BURROUGHS

CONTEMPTUOUSLY, DEFIANTLY, **TA-HU** SPAT OUT TARZAN'S HOOK AND SUBMERGED TO THE OCEAN FLOOR.

"**TA-HU** MAY STILL BE FREE, BUT NOT THE PRISONER!" SCREAMED THE WITCH DOCTOR. "HE MUST PAY THE PENALTY--!"

"**WAIT!**" PLEADED THE APE-MAN. "I HAVE ONE MORE PLAN THAT CAN'T FAIL! YOU MUST COME WITH ME TO THE FOREST."

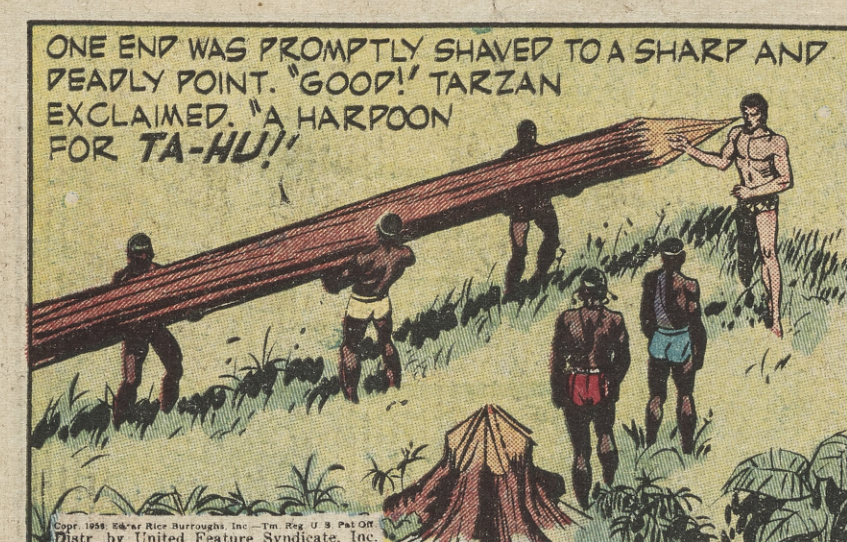

PICK VAN BUREN JOHN CELARDO

THE NATIVES AGREED TO TRY ONCE MORE-- A STOUT TREE WAS CUT DOWN...

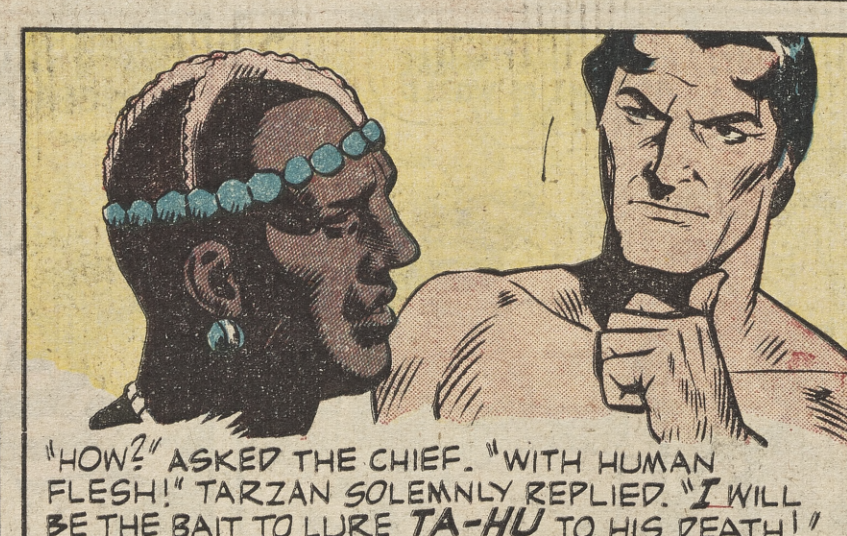

ONE END WAS PROMPTLY SHAVED TO A SHARP AND DEADLY POINT. "GOOD!" TARZAN EXCLAIMED. "A HARPOON FOR **TA-HU!**"

"WE WILL SET IT FIRMLY UNDER WATER-- THEN BAIT THE WHALE INTO SWIMMING AGAINST IT!" 8-24-1433

"HOW?" ASKED THE CHIEF. "WITH HUMAN FLESH!" TARZAN SOLEMNLY REPLIED. "I WILL BE THE BAIT TO LURE **TA-HU** TO HIS DEATH!"
